besides
Roruma
Kiriho
who has
a Xros
Loader?

So you're
saying
there's
another
human
child

Even two
small fry
without any
real power
could combine
into a
powerful solder

Y-Yes!
that guy
can use
the power
of
DigiXros

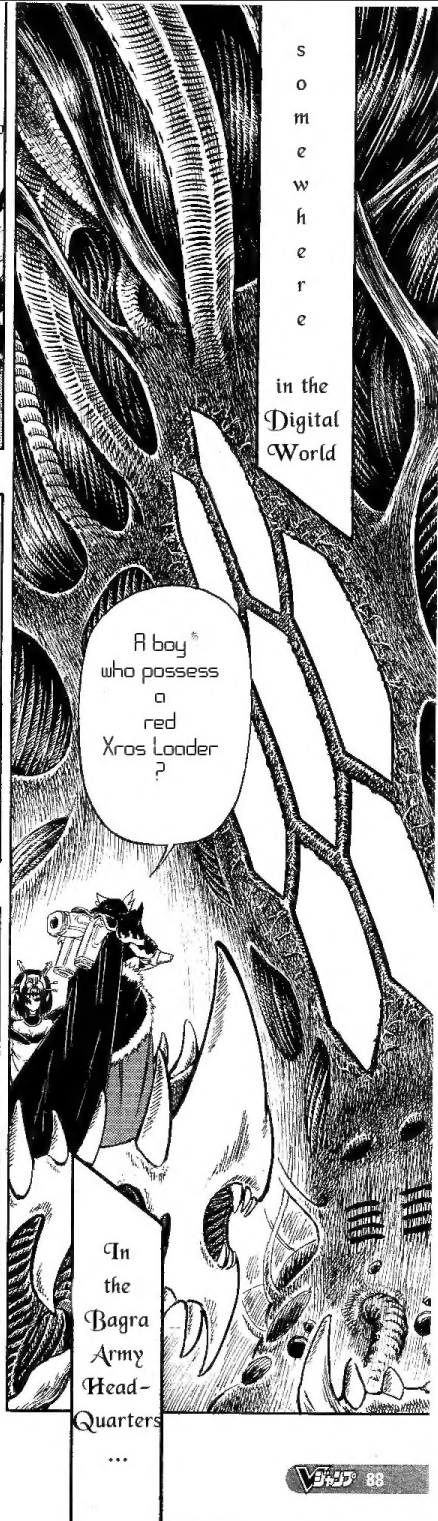

Ah-no me too!
if i had expected
that, i wouldn't
have been
delayed by
such guys

i am!!

don't
fret,
Machleomon

I'll
tell you
my plan

that's
right

in order to
conquer this
Digital World
like his
Majesty
Bagromon
has ordered

we have to
execute
our tactics
perfectly

Digital
World
Green
Zone

Hahahaha!
Welcome
to the
Village
of Smiles!

Village
of
Smiles

So, you saved
this little
mischief's
Life

and you
swept off
the chasing
Bagra Army!!

As this Village's
Elder I,
Jijimon, would like
to deeply
thank you
for what
you've done

00000
!!!!

there was once
a catastrophe
which cause
it to divide
up into many
small zones

I'm
Lilymon!

in the begining,
the Digital world
was one giant world,
but

I'm
Sunflow-
mon!

this is my
first time
making friends
with a human
girl!

a-
ahahaha.

cool!

YO!
So these
are
human Children

Now, it has become
a period of
war with fighting
to conquer the
various zones.

these
arn't normal
creatures
no matter
how you
look at
them

and our
armies
arn't enough
to counter
them!

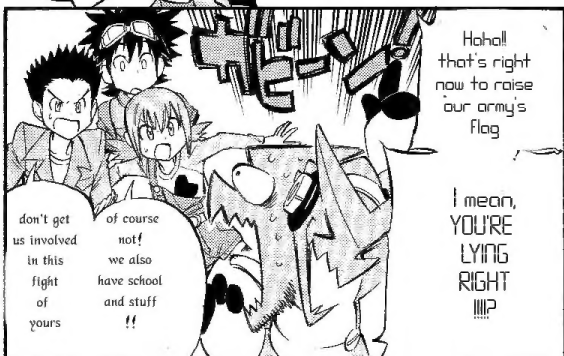

wherever they
appear,
they have
huge armies
to start
invading the
zone with

And while
all that's going
on, the
Bagra Army
started to have
a sudden increase
in power!!

But that
is now a
thing of the
past

Because from now on
we have
Taiki who'll lead us
to battle
as our
General!

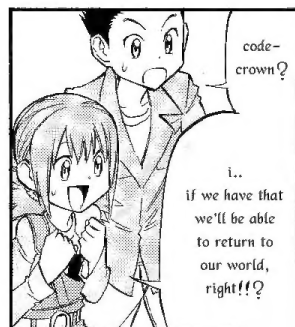

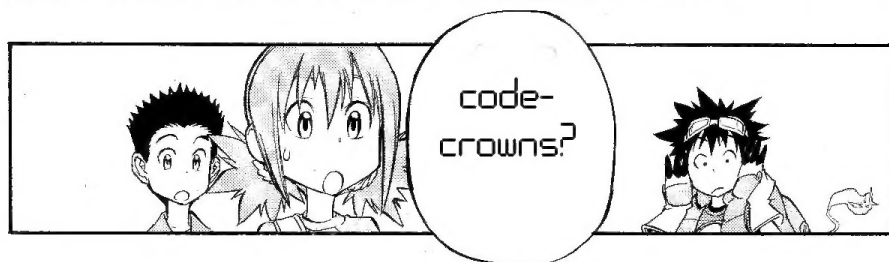

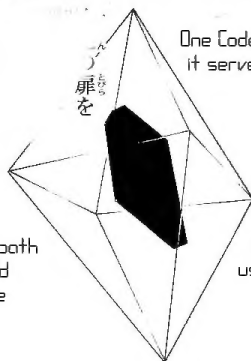

おこ 訳)「まあ なんて 現代っ子なのでしょう!」

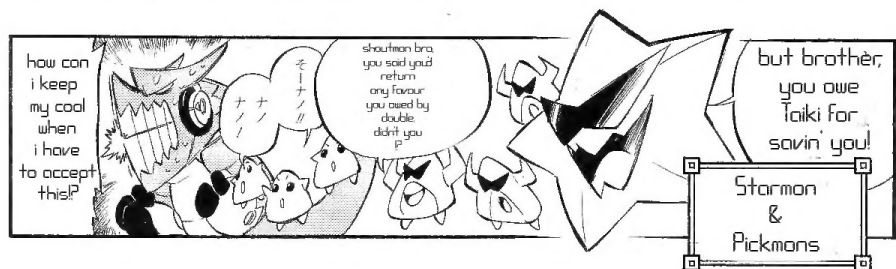

and it is
said that they
are able to
open the door
between
dimensions!

the dimensional path
to your world
may be inside
that door

One Code-Crown exists in every zone.
it serves as proof of ruler of that
zone.

the one who possess it can
use them to join the seperated
zones back together..

Beautiful!!

this place can be really pretty!

hehehe even though i'd like to return home, i feel this place isn't that bad!

fine but don't go too far

i'll go have a look!!

hm?

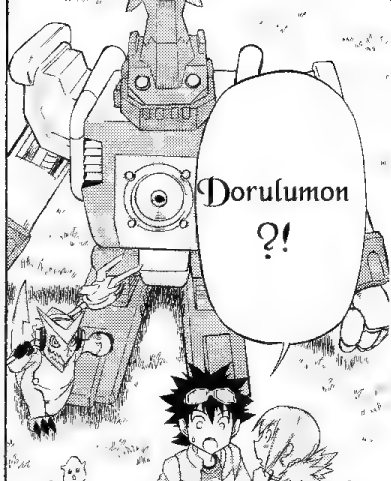

heh

so you two
are travelling
to find
cutemon's
parents?

huh?

Dorulumon
?!

they apparently
got seperated
due to the
Bagra Army's
invasion

Cutemon
&
Dorulumon

well, i was
travelling on
my own without
any specific
path

but after
becoming fellow
travelers
i decided to
help cutemon
look for his
parents

i'm from some
minor tribes
in a
remote
area

so i
had some
acquaintances?

but i was
surprized!
that human boy
had figured
out my
name

Dorulumon
this guy
was also
in the
dream!

could this
meeting
have some
meaning?

uh
yeah that's
right

?

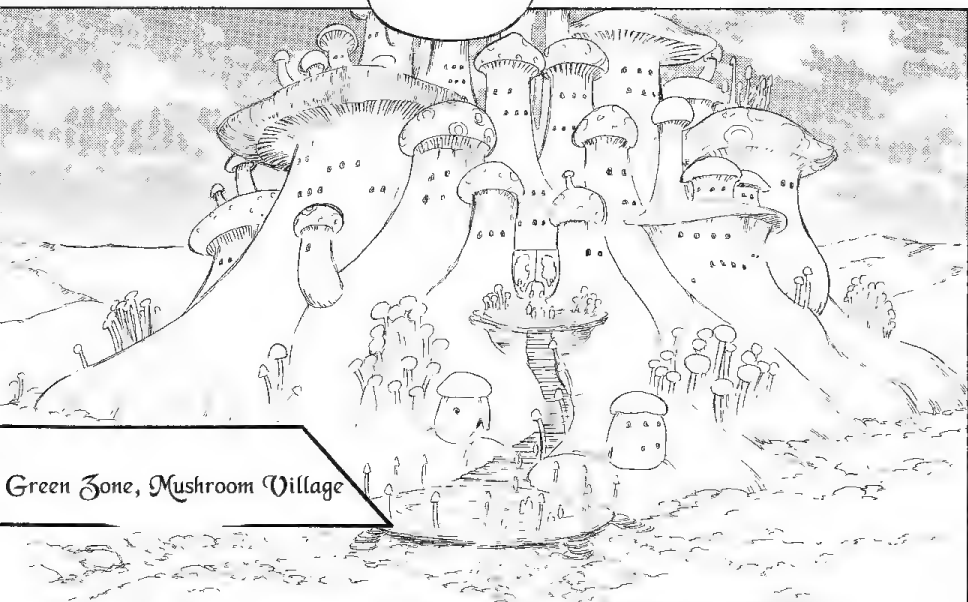

but this is the
first time in a
long while Cutemon
has had so
much fun,
so i'm fine with
it

I don't really
like travelling
in a group

are you
planning to
go to
Mushroom
Village?

since it's like
that why don't
we all travel
together!

Green Zone, Mushroom Village

wh-why,
we just
want you
to lend it
to us
for a bit!

we come all
the way here
to ask you this!
you shouldn't make
such comments
about us mons
from the nearby
village!

You may
not
enter!

strangers
should
just
leave!

we can't just
lend our
Mushmon race's
treasure's
power out like
that even there's
a limit to the
risks we're willing
to take

would you
like to
try having
your arm
smashed?

you!
i can't
let them
say
anymore!!

you guys'll
just cause
trouble!

it's because
you guys
from the
village of
Smiles
are too
sloppy!

they
possess
the Xros
Loader...

and can use
the DigiXros
power...

ar'n't
they
the ones i heard
about who
wandered here
from another
world?

wait just
a moment
young one from
the village
of
Smiles

elder!

who.
What did
you
say?!

how could
an Elder
suggest
such a
thing!!!!

it's okay
Shoutmon

if we lend out
power to you
our village
might become
a target
for the
Bagra Army

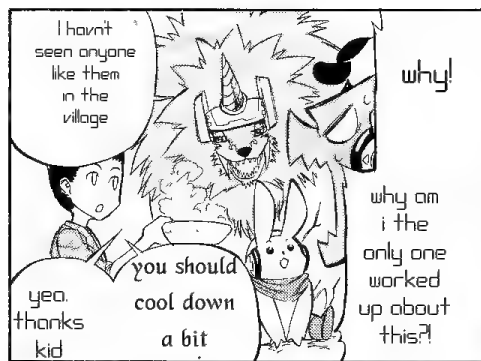

could you
please
withdraw
from here

what the
elder says
is true

let's find
another
way

Taiki!

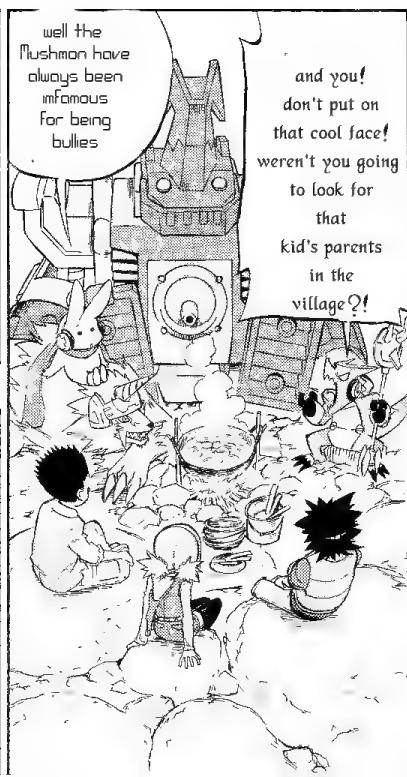

I havn't
seen anyone
like them
in the
village

why!

why am
i the
only one
worked
up about
this?!

you should
cool down
a bit

yea.
thanks
kid

well the
Mushmon have
always been
infamous
for being
bullies

and you!
don't put on
that cool face!
weren't you going
to look for
that
kid's parents
in the
village?!

NOTHING
IS
MAKING
SENSE
HERE!!!!

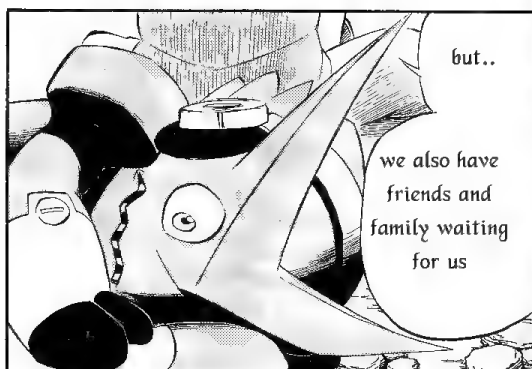

this place
it's so
beautiful
and
refreshing

i can understand
why you want to
protect it
with your life

Hey
Shoutmon

what
is it?
just go
to sleep

but..

we also have
friends and
family waiting
for us

hey
Shoutmon

keh

i
understand
i'm not
a kid!!

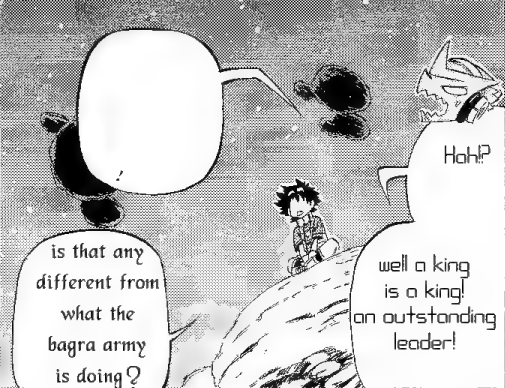

it'd be
irresponsible

that's
why

i can't stay
here..
i don't want
to cause them
to worry

Yeah!!

tch!!
the
Bagra
Army
has even
made it
here

let's go
everyone

h-
Hey!

doesn't this
have nothing
to do
with you?!

it's that
village's
problem!

hmph!
what a
bunch of
idiots

let's go
cutemo-?

yeah!
let's do
that!

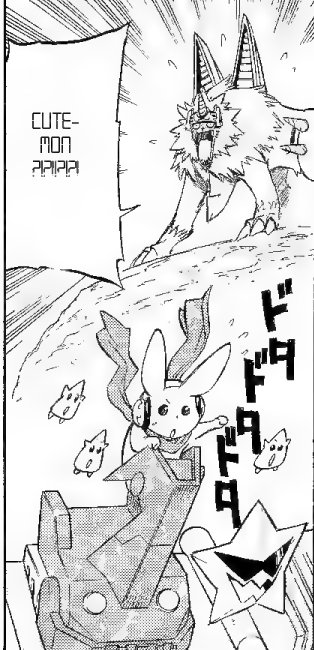

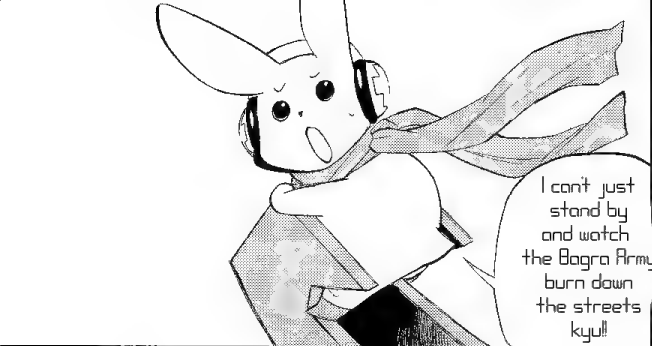

isn't it
better to
go take a
look?

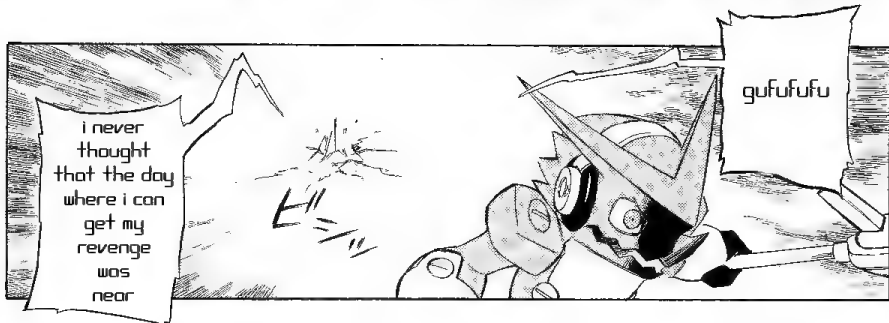

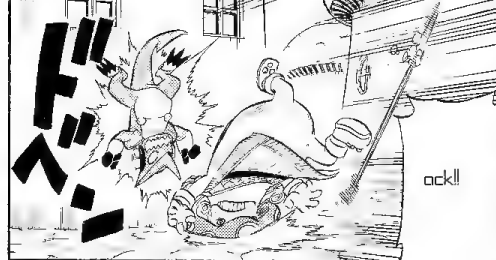

ah,
not you
two
as well!

the
mushroom
village
!!!!

that's
the
Pteronomon
bombing
squad!!

i've finally
gotten my
hands on it
the container of
Green Zone's
Code-Crown!!!

gohahahah
i was a
little
unsure of
the Drimongemans'
sense of
smell
but...

y-ou
can't!

that power
will destroy
us!

guahahaha

- if it wasn't
such a
dangerous
power then
why would we
bother with
it?

power
and
knowledge
!!!

Tactimon-soma
will be proud

he told me
about the
Abyss Truffle!
and where to
find it!

geh..
t-that guy
was still
alive?!

t. that's
our village's
treasure.
the Code-Crown
container
the..
Abyss Truffle!

so we
can't just
not help
a digimon
in trouble

no matter the
reason or
the cause!

heh. that's not what
i meant
take for example those
guys' faces full of
dispair used to be
full of
smiles

that is
what we
of the
village of smiles
protect

i'll protect
them all!
expecially from
the Bagra
Army!

i guess
i really
...

i can't leave you
alone!

if the whole
Digital World
loose their
smiles...

so that's
it..

i can't
leave that
alone

i don't want
to involve you
in this any
further
so escape
Taiki

It's exactly
what you said.
this is our
battle

S-since
that's the case
you also don't
have
any reason to
protect this
village

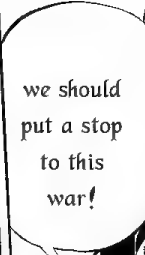

saying it
the way
you are

TO
MAKE THE
WHOLE
WORLD
HAPPY

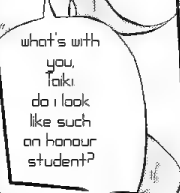

Huh?!

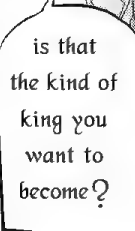

we should
put a stop
to this
war!

in order
to restore
that

what's with
you,
taiki
do i look
like such
an honour
student?

is that
the kind of
king you
want to
become?

THAT'S
THE KIND
OF
KING
I WANT
TO BECOME!
THE KIND I
AM TO BECOME!

taiki.
my dream
is

to let my
soul of rock
resonate through
this peaceful
Digital World
from its peak!

HAHAHA
HAHAHA

WHAT ARE YOU
GOING ON
ABOUT?

IF YOU DON'T
HAVE ANY
INTENTION
TO FIGHT
THEN JUST
DIE!

Let's
try it
out!

what we can
do with
our unified
soul
of
rock!

so i
was
noticed
